# TRAFFIC LIGHTS

**Red - To stop the traffic**

Bring your vehicle to a complete halt behind the stop line or cross walk. Wait until the light turns green.

**Amber - Caution**

Move on very carefully. If you see the amber light before entering the crossing, stop the vehicle behind the stop line or cross walk.

**Green - Go on**

Go through the crossing carefully. You can turn in the direction of the arrow by giving indicator.

**Pedestrian signals**

These signals help pedestrians cross intersections safely. If you face a steady red human figure, do not enter the road. If the signal starts flashing, cross the road quickly if you are already on the road. Stop, if you are about to join the road. Walk cautiously if you face a steady green human figure.
